

# M0031 MULTIPURPOSE HOSE ASSEMBLIES

Rubberworx Multipurpose Hose Assemblies coupled with Thor and Bowes fittings provide a robust answer for demanding applications. Assemblies equipped with secure Thor fittings, known for their double-locking mechanism, provide a strong, leak-free connection ideal for high-pressure air applications. Assemblies featuring universal Bowes fittings, allow for quick and easy connections without the need to match male and female ends. Ideal for fast-paced work environments, both styles deliver consistent performance and longevity.
